WHY REGISTER

The money collected from registration is used to pay for convention facilities, associated services, printing of registration packets and other convention related expenses. We believe that once participants understand that the registration fees collected are used for planning and implementing the convention, the reasons for registration become clear. Registration allows NA to be fully self-supporting and helps us to carry the message to the still suffering addict. Thank you for your support!

NEWCOMER POLICY

Newcomer registration packets are reserved for the newcomer with less than 30 days of clean time who cannot afford the price of registration. Each participant receiving registration will be asked to make a donation to the newcomer fund. Newcomer registration packets are limited, and will be provided on a first come first serve basis at the posted times.
